

Region 2 Newsletter April 2023

Hello Everyone,

The Regional meets are over and now our qualifiers that are going on to Westerns and Nationals are getting ready for their events. **Thank you** to our regional hosts: **Emerald City and Northwest Aerials**. Both meets were amazing. We also want to thank the judges who volunteered their time to help. We could not do these events without you.

Tiffany did a comparison of the last three years per age group in the Dev Program. We are raising the bar! Her spreadsheet is attached. Thank you, Tiffany, for your hard work on this.

Coaches' reminder for those going to Westerns and Nationals:

- Training day wear grey!
- Level 9 Friday wear white,
- Level 9 and 10 Saturday wear turquoise, and
- Level 9 and 10 Sunday wear black.

All the spring committee meetings are coming up. Send any changes or comments to the respective chair:

Jeanine Henneford	Technical rules both dev and Xcel	jhennefordrtc2@gmail.com
Tiffany Quincy	Dev Program	R2dpcc@omega-gymnastics.com
Dianne Palmer	Xcel Program	tenskira@gmail.com

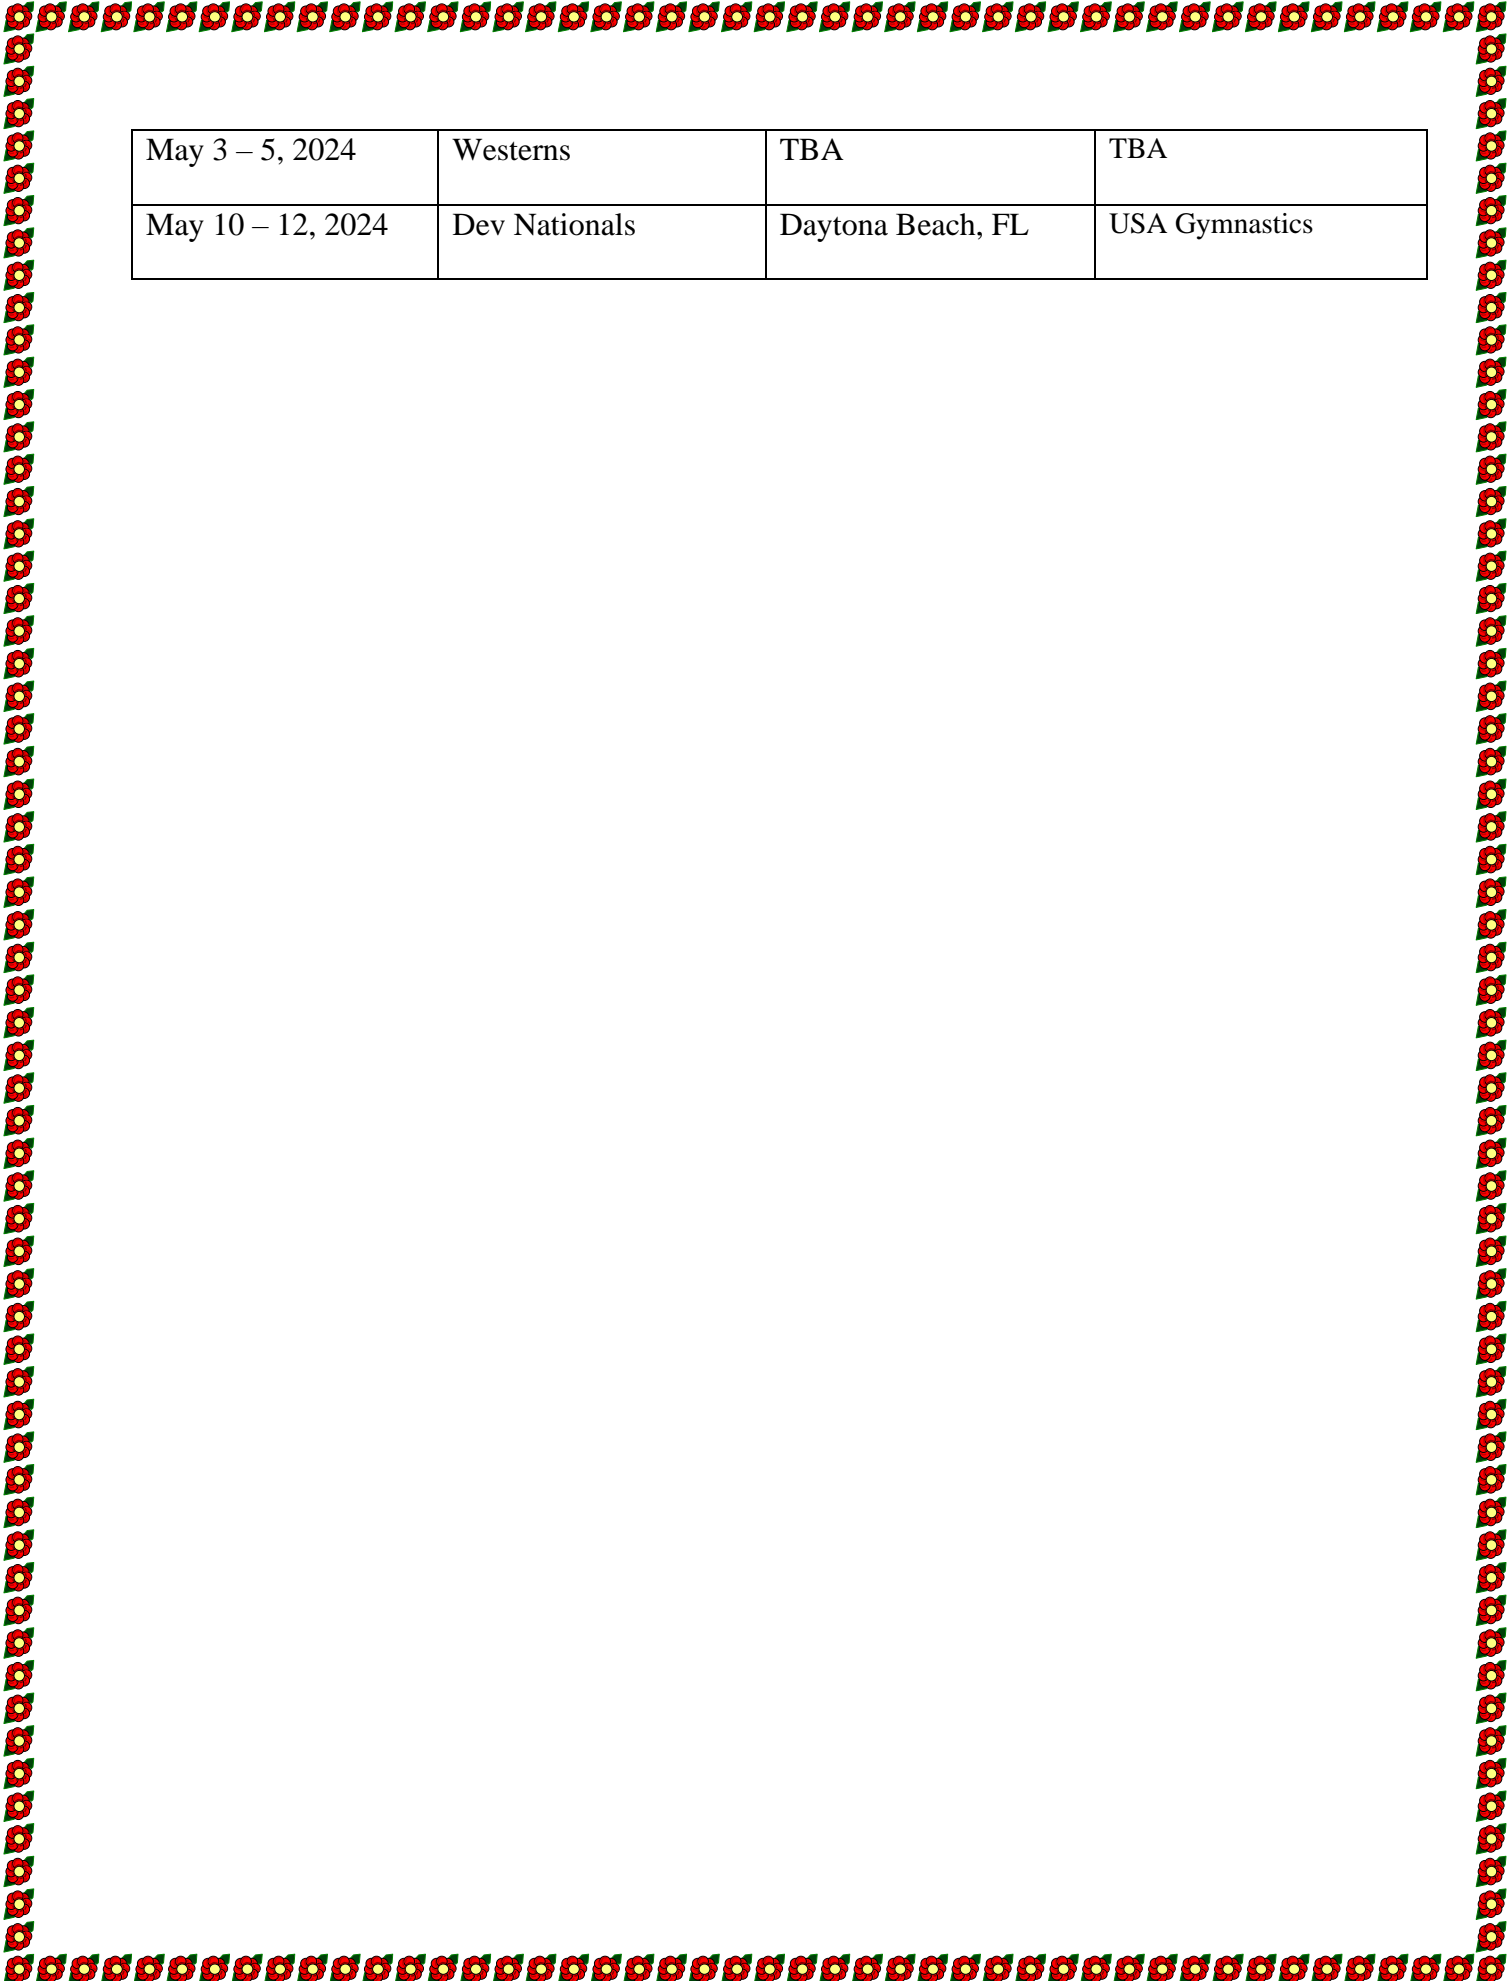

The USA Gymnastics website has a new look. When you go to the site, log in on the opening screen where it says profile and check it out. It is amazing!

Minutes from the committee meeting at Regionals are attached. Dev regionals in 2025 will be hosted by Naydenov boosters and Xcel regionals will be hosted by The Athletic Edge.

Election: There will be an election held May 1-15 for RACC. The two candidates are Marian DeWane and Sandy Flores. An email from USA Gymnastics will be sent to your email listed with them. If you do not receive an email, you can log into USA gymnastics, go to women's program and one of the tabs says elections. Click on it, and the election ballot and candidate statements should be there.
