## Post Season Judges Selection

Laurie reported that Regionals contracts are out

Patty discussed the possibility of having the Region offset the cost of the judge's having their own rooms at post season Championship meets. A proposal was sent out to the RAC and it was agreed that we will discuss it further for the 2027/2028 budget.
*Subsequent conversations have suggested that maybe each State can help pay the conus rate for their judges in 2027 for Westerns/Nationals/Xcelebration*

## Regional Fundraising

Regional fundrasiers were discussed as we will need to be rasing a lot more money if we want to add items like Judge's conus rates and Xcelebration entry fees. Current year's budget is made from funds we carry over from previous season.

It was agreed that our 2026/2027 budget is set with the money we carried over from last season. However, should our “Banner Fundrasier” bring in over $25,000, we will relook at the possibly of allocating additional funds for this current season.

## International Trip

The 2026 International trip was a success and a special shout out to Yulia Hancheroff, Metropolitan Gymnastics for representing the Region as the delegation leader!

Discussion on clarifying expectations and qualifying procedures.
A final policy will be sent with these minutes.

## Regional Camps

Region is hosting 7 Camps this year, both the Dev and Xcel Idaho camps were cancelled due to low participation.
